Note:
(1) Lingua straniera non sostenuta nel triennio o di livello superiore. Le lingue straniere sono erogate dal Centro Competenza Lingue (CCL)
(2) Corsi fortemente consigliati per coloro che intendono svolgere la professione di Dottore Commercialista

1. L'indirizzo SAG è progettato per fornire conoscenze, competenze e formazione specializzata per:
   - i manager (e imprenditori) che intendono integrare le strategie di sostenibilità nella pianificazione e gestione aziendale
   - i professionisti, consulenti e analisti interessati ad acquisire conoscenze per la gestione sostenibile delle organizzazioni
   - tutti coloro interessati ad acquisire competenze in qualità di esperto di imprese socialmente enti pubblici e governativi, organizzazioni non-profit e/o ONG

2. L'indirizzo FAIP è progettato per offrire prospettive di carriera per coloro che intendono lavorare come consulenti aziendali, professionisti e manager di aziende multinazionali. In particolare, il programma fornirà formazione specializzata e competenze per lavorare con successo:
   - in entità multinazionali come CFO o manager
   - come Dottore commercialista e revisore legale dei conti in dimensioni multinazionali
   - come advisor di corporate governance e fiscalità internazionale
   - professionisti e consulenti interessati a supportare le organizzazioni nello sviluppo di nuove opportunità di business o fornire assistenza ai fini della delocalizzazione.

1. The aim of the SAG curriculum is to provide students with the competencies (in terms of strategic, management and control knowledge, skills and tools) necessary to envisage, design and implement innovative solutions for governing SD-related issues in the daily management of organizations.

2. The aim of the FAIP curriculum is to provide students with competencies (knowledge, skills and tools) in accounting, auditing, corporate governance and business law that are necessary to manage the administration and accountancy aspects in private companies and public institutions.
